Healing Mass... Mass this coming Friday [the 12th] we will have our **Healing Mass**, we are encouraging as many people as possible to participate in this Mass of Healing, where we pray to God for health of mind, soul and body. This Mass will be at 10:00am Friday morning. Hopefully our Knights of Columbus will furnish a little breakfast so we can have time for fellowship and conversation.

Choose Life... Adult stem cells are showing promise in growing bones to replace those damaged from birth defects, arthritis, or injury. Cheekbones and a jaw bone have been grown from stem cells in the patient's own bone marrow and subsequently implanted. "The availability of personalized bone grafts engineered from the patient's own stem cells would revolutionize the way we currently treat these defects," commented a researcher at Columbia University which, along with Cincinnati Children's Hospital, has achieved success in this area.
