THOUGHT FOR THE YEAR OF THE EUCHARIST

"The Eucharist, is, first, the great meal of fellowship that God wants to establish with his people, the joyful bond in which the divine life is shared spiritually and physically with a hungry world". God wants us to eat and drink in communion with him and our fellow creatures, for us to be gathered around him in gratitude and love, but our own fear and pride break up the party; we want to eat alone and on our terms. "The whole of the scriptural story... can be seen....as God's attempt to restore the fallen creation, to reestablish the joy of the banquet. Said by Bishop Barren
