THOUGHT FOR THE YEAR OF THE EUCHARIST

"We must consider that the more reflective we are when we receive the Eucharist, the better. We want to be worthy, yes, but we cannot be, really, so instead we offer humility and hope. We know we are humanly flawed, and we have every right to hope that Christ, over time, will bring us further and further into his way of thinking, seeing, and doing."

.....by Anne, a lay apostle
