THOUGHT FOR THE YEAR OF THE EUCHARIST

"We receive Christ in the Eucharist. All of his human experiences of love have become a permanent part of his eternal self, with all of that knowledge and all of that wisdom that comes from overcoming self in favor of the Father's plan. The presence of Christ in us, when we receive him, acts as a magnetic force for our own eternal self. He draws us closer to him and even into total harmony with him if we allow it."

.....By Anne, a lay apostle
