THOUGHT FOR THE YEAR OF THE EUCHARIST

"If we want the world to move forward a little, the only criterion in terms of which this can happen is God, who enters into our lives as a Real Presence. The Eucharist is the place where man/woman can receive this kind of formation from which new things come into being" (Pope Benedict XVI – "Light of the World").

A Heartfelt Thankyou:

We would like to thank everyone that lovingly prepared food for the meal after our mother's, Rosemary Merriman, service. Our mother loved St Peters and her church family.

Warmest regards!

Month of Gratitude:

Our Parish Food Pantry Ministry is increasing and we are in need of all to participate, including our children. As parents it is important to teach our children that we live in a world in need of a lot of love and prayers. Love can be shown in many different ways. One way is to search our hearts and share one food product that you like and maybe another child who is less fortunate may like to eat as well. This is one small act that can touch another person's life in a big way. This is an invitation for children as well as adults to share with others a little of what we have. This will teach children to give thanks to God.

Next week we will start by placing a basket in front of the altar to place food products in. Some examples of what we put in our food bags are 1 lb. boxes of grits, rice, spaghetti sauce, corn muffin mix, 15 oz. boxes of instant potatoes, peanut butter, cans of fruit, pudding, Jello and something special for the upcoming holidays would be good. Examples would be boxes of hot chocolate, individually wrapped candy or cookies, stuffing, cake or brownie mixes, etc.

Let us teach our children how they can make a difference in the life of another child who has much less. Thank you once again for all who have continued your partnership by contributing money and/or food to keep this vital ministry going. ~ Food Pantry Team
