FAMILY LIFE CENTER UPDATE:

If all goes well, the repair portion of the Family Life Center will begin next week. Wolfe Construction will be replacing insulation, sheet rock, FRP panels, and the trim and bases. They will also be painting all surfaces and performing some minor electrical needs.

We have been working with John Saia on the carpet. John was very instrumental with the initial building of our FLC. The carpet should be ordered next week. A sample of the carpet that was picked out is in the vestibule. John will be ordering the carpet for us at his cost. This will save us a lot of money. It will be 4-6 weeks on the delivery of the carpet. Once we get an exact date on the delivery, John will work with his crew to get us a date on the installation.

We have someone lined up to look at the refrigerator next week. Hopefully they will be able to fix our refrigerator. If not, we will have to look for another repair person.

Once all is completed, plans are to schedule a "work day" and recruit volunteers to give our FLC a good thorough cleaning. Please, contact David Livingston for more details.

THE POPE'S MONTHLY INTENTION FOR AUGUST IS FOR WORLD YOUTH DAY

We pray the World Youth Day in Lisbon will help young people to live and witness the Gospel in their own lives.
