BIRTHDAY

HAPPY MOTHER'S DAY!

On this Mother's Day, we thank our mothers for their hidden sacrifices, their constant love, and their invaluable generosity. And we should do so even more in this day and age when mothers are under attack by a culture that undervalues motherhood. But we should not only thank them, we should also learn from them.

If motherhood is a school of love and wisdom, then by God's providence we each have a lot to learn from our mothers, including the Blessed Virgin Mary. And there is no better way to show our gratitude to them than by being good students ourselves.

CONGRATULATIONS HANNAH!!
